SUBJECT: MEXICO SHARES U.S. CONCERNS OVER IAEA REPORTS ON
IRAN AND SYRIA

REF: STATE 16285

Deputy PolCouns approached Julian Juarez Cardenas, the Deputy Director General for UN-Related Security and Legal Issues at the Foreign Ministry, to convey USG concerns relating to the IAEA's most recent reports on Iran and Syria. Juarez remarked that Mexico shared our concerns on these matters and planned to voice those concerns both singly and as party to the New Agenda Coalition. Juarez was not aware that the question of making the Syria report public might come up for a vote at the upcoming Board of Governors meeting but voiced GOM support in principle for this proposition should it arise.
